REBATIFY

Accelerate your Salesforce Rebate Management Performance.

Easily. Efficiently. Cost-Effectively.

Rebatify is a new specialized Rebate Management app with intuitive wizard-based set up to quickly setup and efficiently manage multiple rebate and incentive programs within your Salesforce Rebate Management platform.

Rebatify offers the convenience of easily setting up multiple product rebate programs and incentive thresholds using custom lists to track and automate performance and payouts.

WATCH REBATIFY IN ACTION

salesforce available on AppExchange

Rebatify works as an overlay for Salesforce Rebate Management. All you need is an existing license for Salesforce Rebate Management.

Add Rebatify, and the wizard will help you navigate and set up your Salesforce rebate programs within minutes.

EASY Setup of Rebate Programs

When used in conjunction with Salesforce Rebate Management, Rebatify helps you:

Create rebates with wizard-based navigation

Automate the entire rebate process

Select the starting and ending dates

Choose the type of rebates to offer

Import lists from Salesforce or use your own

> “Rebatify is a welcome addition to AppExchange, as it accelerates business transformation for customers by making Salesforce Rebate Management for Manufacturing Cloud setup and use easy and intuitive.”

David Lee

Vice President of Product Management, AppExchange
